Basel Institute on Governance

The Basel Institute on Governance is an international and independent not-for-profit organisation working worldwide with the public and private sector to counter corruption and other financial crimes and to improve the quality of governance. As a Swiss foundation with headquarters in Basel and an international team of about 60 staff, the Basel Institute operates globally and maintains field operations in Africa, Eastern Europe and Latin America. The Basel Institute is an Associated Institute of the University of Basel.

Profile

We are looking for a self-motivated candidate with an eye for visual design who will help us to convert our e-learning courses from Flash to HTML5.

Requirements

- Quick comprehension in mastering new software tools
- Experience in Adobe Photoshop and Illustrator
- Basic experience in visual programming similar to MIT Scratch (variables, loops, conditions)
- An interest to create highly interactive eLearning
- Fluent in English

Offer

We offer an interesting and rewarding work environment with a proactive, dynamic and international team spirit. Working hours are flexible and can be arranged to suit the needs of the applicant.

Application

Please send your written application (CV, letter of motivation, reference letters and contact details of three professional references; all documents merged in one PDF file), at your earliest convenience, but no later than 14 June **2019** by email to: application@baselgovernance.org

For further information about the position, please contact Mr Peter Huppertz, Team Leader IT and eLearning, Basel Institute on Governance (peter.huppertz@baselgovernance.org).
