MONITORING REPORTS

DOWNLOAD
the first monitoring report at:
https://pactedeintegritate.ro/ro/content/biblioteca-digitala-românіei

MAIN RECOMMENDATIONS

- Review of some technical specifications in the Terms of References for the procurement of IT equipment and web development services, in order to avoid limiting competition. Taken on board.

WHAT'S NEXT?

- Continue the monitoring of web development services provided to the contracting authority and prepare civil society to check Culturalia.ro web platform when launched
- Continue the monitoring of procurement processes within the project
